

Feedback grid

This framework provides a simple but effective way to get constructive criticism from other people. By structuring the feedback into four categories and having people put it in writing, you will receive a clearer and more thoughtful critique. It's much better than simply asking people, "What do you think about this?"

Share template feedback

Get thoughtful feedback

Present in-progress work to other people. Ask them to thoughtfully reflect on what you shared and write feedback in each of the quadrants below. Cluster similar feedback into themes.
